# Safe and responsible travel, always.

As you look to get back on the road, we continue to ensure our trips are safe for everyone. That includes our travellers, our leaders and crew and the people we visit along the way. Our health and safety policies follow recommendations from the World Health Organization and the World Travel & Tourism Council's (WTTC) Safe Travel protocols for tour operators. Before we resume trips in any destination, our itineraries undergo a comprehensive risk assessment and audit, while leaders and suppliers will complete COVID-19 health and safety training. We have also introduced specific policies around testing and vaccination for your safety.

On the 29th July 2021 we introduced new safety measures that apply on all of our trips, except for tours in Australia and New Zealand. Travellers are required to produce:

#### Proof of COVID-19 vaccination

In all cases, you must be fully inoculated. This means you must receive the full dosage of the COVID-19 vaccine and allow enough time for immunity to take effect. Each COVID-19 vaccine has different dosages and timeframes for inoculation, so please check the relevant medical advice associated with your vaccine.

These new safety measures that apply on all of our trips, except for tours in Australia, New Zealand and the Cook Islands. From the 1st December 2021 travellers are required to produce proof of COVID-19 vaccination on all of our trips.

If you are unable to be vaccinated for medical reasons, you may apply for an exemption. Exemptions will be assessed on a case-by-case basis. To apply, you must provide a medical certificate from a medical professional.

Children under 18 are exempt. Children aged between 5 and 17 years old must provide proof of either vaccination, recovery or a negative COVID-19 test. Please see the below section on children for further details. .

Even more exciting will be your first land excursion – something you will never forget! Daily Zodiac cruises and shore excursions take you to explore local bays, channels and landing sites with wildlife opportunities always at the forefront of your expedition team's mind.

Walk on beaches dotted with penguins, visit penguin rookeries and search for southern seal species, including the fearless penguin eater, the leopard seal.

An average day onboard begins with a wake-up call from your expedition leader around 7am, giving you time to prepare for the day before joining your fellow expeditioners for breakfast in the Polaris restaurant.
